Grant Program: Purpose & Qualifications

Purpose

Grant program to support regional K-16 education collaboratives that create streamlined pathways from high school to postsecondary education and into the workforce

Collaborative Required Qualifications

- Include at least one K-12 school district, at least one University of California campus, at least one California State University campus, and at least one California Community College district
- Establish a steering committee with at least 25% local employers
- Commit to participate in the California Cradle-to-Career Data System (K-12 and CCGI)

Grant Program: Required Outcomes

Four Recovery with Equity Recommendations

Implement at least four of the following seven recommendations from Recovery with Equity report:

- Improve faculty, staff, and administrator diversity
- Cultivate inclusive, engaging, and equity-oriented learning environments
- Retain students through inclusive supports
- Provide high-tech, high-touch advising
- Support college preparation and early credit
- Subsidize Internet access for eligible students
- Improve college affordability

Grant Program: Required Outcomes

Two Occupational Pathways

Create accelerated degree and/or credential programs that incorporate work-based learning in at least two of the following sectors, based on regional needs:

- Healthcare
- Education
- Business Management
- Engineering or Computing

Grant Program: Additional Grantee Responsibilities

Reporting & Evaluation

- Regularly track and report on progress as part of grant agreement
- Participate in evaluation activities, including data reporting and case studies
- Participate in site visits from program administrator and technical assistance activities

Grant Program: Awards

Number of Awards & Funding Amount

- 9 awards of \$18.13 million each made in Phase 1
 - CERF Regions awarded: Central San Joaquin Valley, Inland Empire, Kern County, Los Angeles, North State, Orange County, Redwood Coast, Sacramento, Southern Border
